

Outdoor PowerRACK™ Load Master® Series

1600A Portable Power Distribution
160 Amp - 400 Amp Output Range

PN: PH1600W3-N1J-14JE

Features & Benefits:

Proprietary extruded aluminum framing provides resistance against bending for increased strength and lightweight

Heavy-duty formed aluminum panels with handles for lifting

Extended HDPE top and recessed components to protect unit during tight packing

Voltage indicator to show active power

Skid base elevates receptacles above the ground while permitting secure lifting via forklift

Patent Pending

Lex Redefines Power Distribution with the Fully cULus Listed Outdoor PowerRACK. Creating the Most Compact, Flexible and Safe, High Amp Power Stations.

Saving Time, Money and Space

Adjustable Breakers

100% rated adjustable electronic trip breakers, provides a wide range of available amperages within each factory installed breaker.

Eliminating the need to rewire breakers to meet ever changing power requirements.
